## ABOUT US

### EXCELLENCE AND PROFESSIONALISM

---

In the realm of landscape architecture and design, excellence and professionalism are our guiding principles.

Meticulously crafting outdoor spaces, we blend innovation with environmental stewardship, ensuring sustainable, aesthetically pleasing environments.

Our commitment to quality and ethical practice defines us in shaping a harmonious and enduring landscape.

### REGISTERED AND EXPERIENCE

---

As a registered company, we bring a wealth of experience and embrace the latest design approaches in landscape architecture.

Committed to innovation, our team blends expertise with contemporary techniques, delivering cutting-edge solutions that elevate outdoor spaces.

Trust us for a harmonious fusion of experience and modern design principles

### PERSONALIZED APPROACH

---

Since 2004, with a dedication to client satisfaction, our company has promised a personalised approach tailored to meet your unique needs.

We prioritize your vision, ensuring every detail is crafted to perfection. Trust us to go beyond expectations, delivering solutions that resonate with your requirements and aspirations.

## ELMINA EAST

### TOWNSHIP + PARKS

Elmina East is one of the featured developments in the City of Elmina, which consists of 5,000 acres of mixed development with the intention of raising the quality of life.

Blessed with 300 acres worth of gardens and parks alongside social spaces and wellness development.

Elmina East promises to cover all aspects of life through eight (8) elements of wellness: social, environmental, intellectual, family, occupational, physical, emotional, and spiritual wellness.

## SUNGAI SUBANG, ELMINA EAST, SHAH ALAM

TOWNSHIP + PARKS

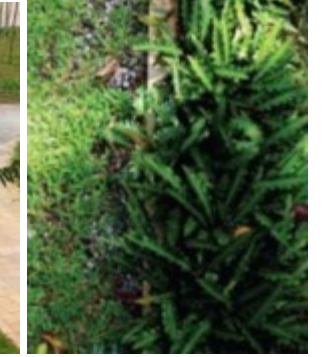

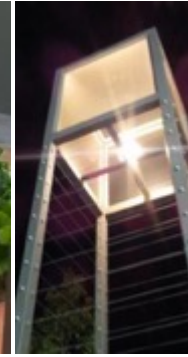

Through the water mediation of the Sungai treatment, the bioremediation of Sungai Subang will improve the health of the river corridor and revive the habitat, creating an ecological approach. As a result, the river will become livable and hold great potential for community use.

# **SOC SO REHAB CENTER, MELAKA**

INSTITUTIONAL

## SPORTS PARK, ELMINA EAST, SHAH ALAM.

TOWNSHIP + PARKS

The Elmina Sports Park is designed with sustainable play structures that are durable, low-maintenance, and safe for users. Additionally, it will offer dynamic spaces featuring a variety of elevated structures and decision-making challenges, enhancing users' sense of adventure in the area.

## GAPAM RESORT, MELAKA

RESORT **my nbs**  
Nature-based Solutions

Experience a breath of fresh air and a refreshing twist on the urban landscape, as you enjoy a rejuvenating natural environment that captures the essence of "heaven on earth." It offers the perfect escape from the hustle and bustle of the draining concrete jungle.

Gapam Green Resort Community (GGRC) will be a vibrant, modern neighborhood, home to over 5,000 local and international residents. Designed to promote a healthy work-life balance, it features a variety of enchanting outdoor amenities for all to enjoy.
